Notice

ETT Releases Clearance on Edith Clarke to Coulomb Line

The Edith Clarke to Coulomb line which has been down for arm change out and welding repairs will be returned to service 4 days ahead of schedule on May 11, 2020. Time and weather permitting AEP will re-energize the line as soon as possible. Our next outage will be on the Coulomb to Smokey Hill station starting on June 1, 2020 as entered in Outage Scheduler with ERCOT. Any questions should be addressed to Mr. Blake Gross at bagross@aep.com.
