

**On Tuesday, May 13, 2025, ETT staff proudly presented a \$6,000 donation to Austin Habitat for Humanity.**

In a housing market where affordability remains a significant challenge, Austin Habitat for Humanity continues to demonstrate its unwavering commitment to providing safe, affordable housing for hardworking families and vital members of the Austin community—including educators, first responders, and skilled laborers.

Looking ahead, ETT team members will contribute their time and efforts to the Prospect Heights build in East Austin, scheduled for September 2025.
