

ETT Donates \$5,000 to March of Dimes Austin Chapter to Support Maternal and Infant Health

Austin, TX – June 9, 2025 — Electric Transmission Texas (ETT) proudly contributed \$5,000 to the March of Dimes Austin Chapter in support of its mission to improve the health of mothers and babies. This donation will help fund critical programs, research, and advocacy efforts aimed at ensuring every mom and baby has the best possible start.

The March of Dimes leads the fight for the health of all moms and babies, working to end preventable maternal health risks and preterm birth through education, care, and policy change.
