

**ETT is proud to support the Texas Firewalkers Mobile Disaster Pet Service Unit with a donation of \$2,500.**

This specialized unit is designed to provide safe, temporary shelter for domestic dogs and cats displaced by natural disasters and emergency rescue operations. Fully self-contained, the mobile unit is equipped with climate control, power, and water systems to ensure a secure and comfortable environment for animals during times of crisis.

Josh Bollich, ETT Transmission Construction Superintendent, presents a \$2,500 donation check to the Texas Firewalkers Mobile Pet Disaster Unit.
